MEMORANDUM FOR: Comptroller

FROM: Charles A. Briggs
Director, Office of Legislative Liaison

25X1

SUBJECT: Providing Classified Information to Congress

Dau:

1. Headquarters Regulation requires that the provision of classified information to the Congress be coordinated and approved by this Office. In light of the close and constant working relationship between the Office of the Comptroller and this Office, and in recognition of your responsibilities for dealing with the Congress on budgetary matters, this memo represents a permanent and continuous approval for your staff to maintain working relationships including the exchange of classified information with the appropriate Committees of Congress on budgetary matters.

25X1

2. The relationship between our Offices over the past year has been a happy one, due to our joint efforts to make it so through good two-way communications and an abiding respect for each other's responsibilities. I look forward to an equally good second year.
